VOICE OF OUR SCHOOL

MONSOON WITH DESTITUTE

The well off are happy with the rains,
But the poor are not
Water gets in their home
And even destroys their door,
The comfortable people seem to tower over the poor,
Assigning the poor with the job for fixing their door,
The poor have few clothes to wear with all having at least a tear,
The children from the slums get high fever
due to the damp weather and shiver!
While we snuggle in our cozy beds, people get frozen to death!
While we romanticise the rains
Many criticise the rains
So, while the rains seem hunky dory in rom coms,
In actuality the rain is thundering, blinding, deafening and all,
some long for is a ray of sunlight,
The rains are not the same for all
And all we need to accept is that some
do need to engage for bread through a tough brawl!
The brawl here for them is altercation
with the unwelcome parts of rains,
And for us is within the bubble of our own brains!

आखिरी खत

मेरी प्यारी माँ,
बहुत अकेला- सा लगता है यहाँ,
मैं आँसू छुपा देता हूँ,
जब थोड़ा मुस्कुरा देता हूँ,
सबको लगता है मैं ठीक हूँ,
लेकिन तुम होती तो झट से समझ जाती,
अपना हाथ मेरे सर पर फेर कर कहती,
सब ठीक हो जाएगा, चिंता मत कर तू,
माँ, बहुत मन करता है तुम्हारे पास आने का,
तुम्हारी गोद में सर रख के सो जाने का,
कभी अपने लिए कुछ नहीं माँगती थी,
बस मेरे सपनों को अपनी ख्वाहिश बताती थी,
मेरी ख्वाहिश तो थी,
तुम्हारी हर ख्वाहिश पूरी करनी थी,
लेकिन अगली बार जब मिलूँगा,
तब शायद तिरंगे में लपेटा आऊँगा,
जब सब मुझे देख रो रहे होंगे,
तब तुम मुझे अपने सीने से लगाओगी और कहोगी,
"लल्ला उठ ना रे,
तेरी मैयां खड़ी है,

तेरे स्वागत की थाली हाथ में लेके,
एक बार आँखें खोल ना रे"
मेरी तस्वीर को दीवार से नहीं,
अपने सीने से लगाओगी,
मेरी वर्दी को बाँहों में लेके बहुत रोओगी,
लेकिन पता है ना मुझे,
तुम मन में बहुत गर्व महसूस करोगी,
बाबा की मार और दादी के ताने खाने के लिए,
माफ़ कर देना माँ, तुम्हें अकेला छोड़ जाने के लिए,
शायद इस चिट्ठी से पहले मेरा शव तुम्हारे पास पहुँच जाए,
पर मरने से पहले एक सवाल करना था तुमसे,
माँ, आखिर इतना प्यार लाती हो कहाँ से?
