# VOICES OF OUR SCHOOL

## Sunrays

The dawn of a new day  
Brings fresh hope our way  
The rising sun dispels all gloom  
When on trees fresh flowers bloom  
Different shades of greenery  
Woven intricately on Nature's tapestry  
Lend beauty to life's scenery...  
Yesterday's pain, yesterday's tears  
Yesterday's shame, yesterday's fears  
Vanish in sunrays so fierce  
The light & warmth of sunrays convey  
Life is worth living each day  
Yet when the sun is covered by grey clouds  
We are engulfed in self doubts  
The gently encompassing twilight  
Stills our restless flight  
Darkness falls, as the sun goes to rest  
Creating peace and contentment in our breast.
