A Thrilling Diwali Adventure: Jungle Safari at Pench

We decided to celebrate our Diwali vacation by exploring a new destination, and chose to visit the Pench Tiger Reserve for a jungle safari. On the first day, we entered through the Khursapur Gate and began our safari at 2 pm. We were amazed by a beautiful herd of deer and gaur, and enjoyed exploring various tiger habitats. We were also captivated by the stunning beauty of the lakes we encountered along the way. The next day, we set off for our second safari from the Sillari Gate at 6 am. Our patience finally paid off when we spotted a tiger sitting on a rock in the early morning. As the safari continued, we were lucky to spot several tiger cubs as well.

It was truly a memorable journey, and I am so grateful to my parents for giving me the chance to experience such a beautiful trip.
