ROLE PLAY AUGUST 24, 2026

Ved Saptah was celebrated with devotion and spiritual fervour, reflecting the rich heritage of Vedic traditions. Students and teachers came together to perform the sacred Havan, recite shlokas, and sing devotional bhajans. The serene atmosphere fostered a sense of peace, positivity, and spiritual awareness among all participants. The celebration served as a meaningful reminder of the timeless wisdom of the Vedas and reinforced the values of discipline, harmony, and moral living.

The Model United Nations (MUN) activity provided students from Classes VI to XII with an enriching platform to explore global issues, develop critical thinking, and enhance their communication and leadership skills. Representing different countries, students engaged in debates, discussions, and diplomatic negotiations on contemporary international concerns. The activity encouraged research, collaboration, public speaking, and respect for diverse perspectives.
